Kitchen Packing Tips

- Wrap plates individually and stack vertically
- Use dish towels to wrap glasses and mugs
- Pack heavy items like pots in small boxes
- Keep knives wrapped and secured separately
- Label boxes containing breakables clearly
- Pack items from drawers in labeled bags

Bedroom Packing Tips

- Use wardrobe boxes for hanging clothes
- Fold and pack clothes in suitcases or boxes
- Wrap jewelry individually in soft cloth
- Pack shoes in original boxes or wrap pairs together
- Use vacuum bags for bulky bedding
- Keep one set of bedding accessible for first night

Living Room Packing Tips

- Wrap electronics in bubble wrap, keep cords together
- Take photos of electronics connections before unplugging
- Protect TV screens with blankets or specialized boxes
- Pack books in small boxes (they're heavy!)
- Wrap picture frames and mirrors with bubble wrap
- Disassemble furniture when possible

Packing Fragile Items

- Use plenty of cushioning material
- Fill empty spaces to prevent shifting
- Mark boxes as 'FRAGILE' on all sides
- Pack heavy items on bottom, light on top
- Don't overpack boxes - they should be easy to carry
- Consider professional packing for valuable items

Smart Labeling System

- Label each box with room destination
- Write contents list on box sides
- Use color codes for different rooms
- Number boxes and keep an inventory list
- Mark 'OPEN FIRST' boxes for essentials
